Mike and son Chris

In 1982 he successfully completed a Coaching Apprenticeship under the auspices of the Canadian Coaching Association. In addition, he frequently conducts player and coaches clinics and is co-ordinator of the Fast Break Basketball Camp. Mike played one year at St. Michael's College (Vermont) where he obtained a B. A. degree in 1971. He was Q. U. A. A. All-Star while taking post-graduate studies at Sir George. He lives in Dorval with his wife Judith and sons Christopher and Matthew.

HEAD COACH

Mike Hickey

As head coach Mike Hickey starts his twelfth year as a head coach at Concordia/Sir George Williams. His number one priority is to return the Stingers to the Canadian Inter-university Athletic Union Championships, a feat which eluded last year's squad. During his tenure as head coach his teams have amassed a 217-144 won-lost record and five trips to the C. I. A. U. National Championships. He began his university coaching career when he took over the reins of the Sir George Williams Georgians in 1973, directing them to a 56-18 record including back-to-back trips to the Nationals in a two-year stint. With the merger of Loyola and Sir George in the spring of 1975, Mike assumed the role of women's coach at Concordia. Coach Hickey has been named twice as Quebec University Athletic Association "Coach of the Year". However, his coaching career has not been limited to Concordia. Mike has been involved with the Canadian National program beginning in 1976, when he became the first coach of the Canadian Junior National Women's team. Mike has assisted coach Jack Donahue and the Canadian National Men's team since 1979 and accompanied the team to the World Championships in Cali, Columbia in 1982.

ASSISTANT COACHES

Sue Hylland & Linda MacPherson

One of the strenghts of the Concordia program has been the outstanding work of the assistant coaches and this season should be no different. Both Linda MacPherson and Sue Hylland have quickly established themselves as two of the finest coaches in the country and are responsible, to a large degree, for the success that awaits the Stingers during the 1984-85 season.

Linda's Background, experience and aggressive approach to the game of basketball has proven to be an invaluable asset to coach Hickey. Linda is presently an animator in the Vanier College Athletic Department and oversees the administration in the men's basketball program. Her previous coaching experience includes two years with the Junior College National Champion, John Abott Islanders and she has also assisted with the Quebec Elite Evaluation camps.

As a player, Linda will be remembered as a fierce competitor who earned All-Star honours during her two year stint at Concordia. She also received a league All-Star selection in 1978-79, when she helped lead the Bishop's lady Gaiters to a fifth-place finish at the C. I. A. U. Nationals. A graduate of Lindsay Place High School, John Abbott College and Concordia University, Linda presently lives in Baie d'Urfe with her husband Chris.

Sue begins her second year on the Concordia coaching staff after an illustrious playing career. She first gained notoriety with the John Abbott Islanders where she helped lead them to two National College Championships. She then moved on to Bishop's University and led the Lady Gaiters to three Q. U. A. A. titles and was named first team All-Canadian in her final year. Upon graduation from Bishop's, Sue enrolled in the Concordia Sports Administration Program and was a starting member of the Stingers squad that reached the semi-finals of the Canadian National Championships in 1982.

Despite her long playing career, Sue is no stranger to the coaching ranks. She served as an assistant coach with the Bishop's team which finished second in the 1982 C. I. A. U. Nationals. She is presently technical program co-ordinator with the Canadian Olympic Association.

THE SCHENLEY AWARDS

The Monde Selection is among the most coveted awards in the spirits industry. It is recognized as the "symbol of quality" by over 170 countries.

Why? Because only the Monde Selection is awarded according to both the subjective judgment of experts and the objective analysis of scientific tests.

Thus, we're very proud that in the last ten years Schenley has won more Monde Selection Awards than any other distiller in Canada.

We've earned 33 Gold, 12 Silver and 4 Bronze medals.

It's a remarkable record of achievement, confirming that when it comes to fine spirits...

Schenley is best.

SCHENLEY O.F.C.

The winner of 10 Gold medals, plus the competition's highest award...the Monde Selection perpetual trophy. Obviously, one of Canada's outstanding 8-year-old whiskies.

TROIKA VODKA

This exceptional vodka has won 5 Gold, 1 Silver and 1 Bronze. Troika has also won the loyalty of Canadians who appreciate a winning bloody mary or screwdriver.

SCHENLEY LONDON DRY GIN

The only dry gin to ever win a Monde Selection Gold medal, not once, but five times! It's the main ingredient for an award winning martini.

RON CARIOCA WHITE RUM

Winner of 2 Gold, 4 Silver and 1 Bronze, and a winner for those who appreciate the refreshing taste of rum made from pure cane spirits imported from the Tropics.

A taste you can call your own.
